MINUTES OF THE 47TH REGULAR SESSION – ADOPTED

G. PRIVILEGE HOUR:
Hon. Rogelio D. Pacquiao availed of the privilege hour after his motion for reconsideration was duly granted. He took issue of the letter dated April 7, 2014 from Mr. Lastimoso, the Department Head of the City Environment and Natural Resources Office, which was sent to some or most of the city’s barangay captains giving warning relative to violations of PD 705 (REVISED FORESTRY CODE) with emphasis on Section 77 of Chapter IV and City Ordinance No. 19, Series of 1990 re: ORDINANCE REGULATING THE USE OF FIREWOOD AND BANNING THE USE OF HARDWOOD AS A SOURCE OF FUEL IN ALL COMMERCIAL AND INDUSTRIAL ESTABLISHMENTS IN THE CITY. The letter was accordingly strongly worded in such a way that it is offensive and unacceptable to the members of the Liga ng mga Barangay who have been supporting, cooperating and doing their duties and responsibilities as implementers of the laws and whatever programs and projects of the government in the barangay level. He said that the letter was based on the request of Barangay Capt. Lozano of Sinawal due to the prevalent cutting of trees in his barangay to be made as charcoal. He furthered that Mr. Lastimoso should have conducted thorough
investigation or arranged a meeting with the barangay captains before sending said letter. In support to the speaker, Barangay Captain Casabuena of City Heights expressed her insights relative to the said letter under suspended rules. She maintained that they appreciated the reminder of their responsibility to protect the environment, however, it was the irresponsible, offensive and disrespectful manner of how the letter was worded making it utterly unacceptable. She furthered that most of the barangay captains who received said letter were so disappointed and hurt. She then concluded hoping that this will never happen again as she believes in the saying that courtesy begets courtesy. During the period of discussion and on suspended rules, the representative of Mr. Lastimoso in the person of Mr. Pareja, conveyed that Mr. Lastimoso’s intention was purely for the protection of the environment, that he did not mean to offend and he felt sorry for such strongly-worded letter, as such he is relaying his apology to the members of the Liga ng mga Barangay. Hon. Pacquiao accepted the apology. After some discussion, it was concluded to invite Mr. Lastimoso during the meeting of the Liga ng mga Barangay for him to personally explain his side and make amends with the barangay captains.

At this juncture, Hon. Bagonoc relinquished the chair to Hon. Nuñez.

(NOTE: HON. ROSALITA T. NUñEZ – PRESIDING OFFICER)

Another concern that was tackled was regarding the invitation of the City Council to the Local Manager of CAAP-Gensan to be present to shed light relative to airport operations and facilities. On suspended rules, Mr. Punay, OIC Airport Manager, answered the queries of the members of the Council relative to airport renovation, x-ray machines, comfort rooms, push carts, terminal fee and airport privatization. Hon. Gacal relayed his observation on the difficulty of unloading passengers in the parking area instead of unloading in front the terminal building because of the blocking of the loft road. He then suggested to open the blocked road fronting the terminal building for easy access of passengers particularly those with disabilities, which was duly noted by Mr. Punay.

On the naming of the airport, after some discussion it was concluded that if the city has the authority to do it, it will be in the form of an ordinance and if not, a resolution will be passed instead. Mr. Punay then presented the Airport Development Plan. After some deliberation, since there are still unsettled concerns, the body deemed it proper to pass a resolution under other matters requesting City Mayor Ronnel Rivera to organize and send an official delegation of government officials including city businessmen, to the concerned agencies of Civil Aviation Authority of the Philippines (CAAP) in Manila to bring the multifarious problems of the operations of the General Santos City International Airport and to seek for solutions thereof. Mr. Punay will provide list of proper offices and persons to be contacted to facilitate said representation. Afterwhich, house rules was resumed and the body proceeded to the next item of the order of business.
